## Product Story

A textile characterised by textural depth and softness, it has a timeless sophistication, which radiates warmth and wellbeing. Fable is available in a palette of 12 muted sophisticated shades, earthy sandstones, light neutrals, forest greens, autumnal copper accents and deep tones of intense grays, which work in perfect harmony with Artifact.

Fable is bleach cleanable (to 10% solution), but care must be taken to preserve the delicate nature of the bouclé.
